REMARKS

As indicated above, the Notice of Non-Compliant Amendment did not identify the particular defect in Applicant's prior response. However, it is believed that the Notice intended to implicate the listing of the claims. Accordingly, Applicant has presented a new complete listing of the claims and their current status. It is believed that this response address all issues of compliance with 37 C.F.R. 1.121 so Applicant's prior response is in condition for substantive review.

Respectfully Submitted,
